HELLO EDGELAKE HOMEOWNERS

What a great turnout there was for the annual meeting, spring flower planting, and barbecue. For who haven't made it, you might want to check it out next year. It's a great way to become informed and meet fellow owners.

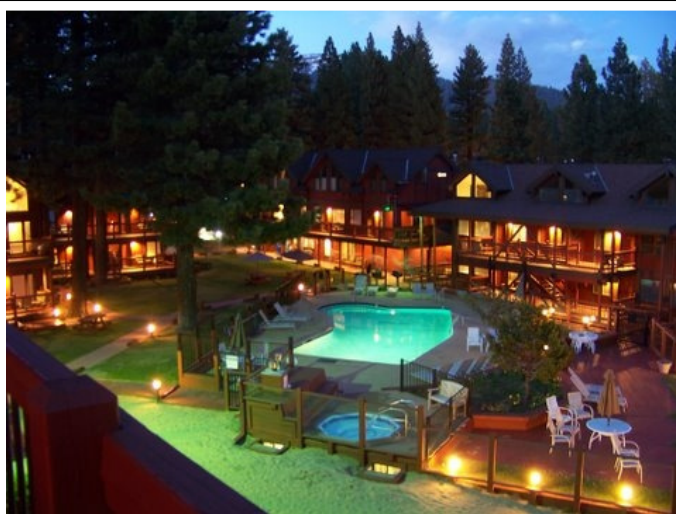

It feels like summer is here with some warm weather and boats, kayaks, paddleboards, and jet skis starting to appear on the lake. When you come up remember the Sangria Social on Mondays. A reminder to check out comedy and music at the Crystal Bay Casino Crown Room. It has become a well known venue for quality shows with great sound and lighting. You can get the comedy schedule at [Tahoe Comedy North.com](http://TahoeComedyNorth.com).

Looking forward to seeing everyone the summer in Tahoe.

See you in Tahoe,

Wayne Wright
