HAPPY THANKSGIVING!

We enjoyed a great Summer here at Edgelake with beautiful weather. We are hoping for a big winter to increase the water level in the lake. This fall we are having the deck around the spa replaced, new bedspreads will soon be arriving, and carpets will be replaced. We are continuing with ongoing projects such as painting, re-finishing woodwork, fall deep cleans and much more. By the years end our new phone system will be in place that will save us a few thousand dollars a year. We are continually looking for cost saving avenues. Please continue to send us suggestions and comments for the resort, we want everyone to enjoy their stay!

Enclosed you will find the 2010 budget. After a careful review the Board of Directors approved a 1% increase of the dues. This increase will help cover maintenance increases as well as replenishing the reserve account. As a reminder maintenance dues are due in full by January 1, 2010. After January 31, 2010 late fees and interest will accrue **(no exceptions)**.

Studio: \$402.00

One Bedroom: \$455.00

Two Bedroom: \$501.00

Three Bedroom: \$545.00

Sweetbriar: \$843.00

PLEASE BE AWARE:

There are literally hundreds of time share selling scams circulating today. Please contact Wayne Wright our sales rep at 530-546-5850 if you have any questions or concerns. Some companies are asking for money upfront and then not delivering on their promises.

Employee Spotlight:

Edgelake Beach Club is excited to spotlight Brian Herlihy one of our new Front Desk employees. Brian has lived in the area for over 2 years and enjoys biking, skiing, rock climbing, and spending time with his wife Dana. He previously has done marketing for companies such as Lake Tahoe Music Festival. Please welcome Brian during your next stay!
